

Knox Horticulture offers rooted cuttings of all cultivars from all Poinsettia breeders for both Stock Plant production as well as Summer Plant production.

- Liners for **Stock Plant** production are available for shipping from Week 6 through Week 25 (shipping window varies depending on breeder)  
**(all stock liner orders must be received by Week 19)**
- Liners for **Summer Plant** production are available for shipping from Week 21 through Week 44 (shipping window varies depending on breeder)

All product is grown in 30mm Ellepots (approximately 1¼ inch in diameter) in single strips of 13 plants each, with 8 strips (104 plants) per tray. Product is packed 2 trays per box.

### Knox Horticulture 2019 Poinsettia Stock Program

All product is grown in 30mm Ellepots (approximately 1¼ inch in diameter) in single strips of 13 plants each, with 8 strips (104 plants) per tray. All product is packed 2 trays per box. A tray of 104 is sold as 102 plants, giving the customer an over-pack of 2 plants per tray at no charge. Tray designation is TR104/102.

Minimum order is 4 trays (2 boxes) per ship date. Minimum per cultivar is 1 tray per ship date. Minimum lead time is 8 weeks. Cancellations or order changes can only be honored if received 8 weeks prior to requested ship date. Brokers are responsible for re-selling any product cancelled with less than 8 weeks notice. Any orders not resold within one week of original requested ship date will be billed to the broker at that time.

Tags are not included. They may be ordered separately from your tag vendor.

#### Pricing information:

Program pricing effective Week 1 (31 December 2018) through Week 26 (29 June 2019). This document is a product listing only. Please contact your broker for product pricing details.

- Royalties (or Intellectual Property Fees) are included in pricing
- Tags are not included
- All Prices are net to broker. No broker discount will be applicable
- All Prices are FOB Winter Garden, FL
- Freight will be billed separately

#### Stock Liner Ship Dates:

- Dümme Orange (Ecke/Red Fox)      Ship Week 6 through Week 19
- Selecta      Ship Week 6 through Week 22
- Syngenta/Beekenkamp      Ship Week 6 through Week 25

See Knox Horticulture Terms & Conditions document for additional details.

### Knox Horticulture 2019 Poinsettia Summer Program

All product is grown in 30mm Ellepots (approximately 1¼ inch in diameter) in single strips of 13 plants each, with 8 strips (104 plants) per tray. All product is packed 2 trays per box. A tray of 104 is sold as 102 plants, giving the customer an over-pack of 2 plants per tray at no charge. Tray designation is TR104/102.

Minimum order is 4 trays (2 boxes) per ship date. Minimum per cultivar is 1 tray per ship date. Minimum lead time is 8 weeks. Cancellations or order changes can only be honored if received 8 weeks prior to requested ship date. Brokers are responsible for re-selling any product cancelled with less than 8 weeks notice. Any orders not resold within one week of original requested ship date will be billed to the broker at that time.
